

How to access the online bulletin of the Ashland Elks Lodge

Grand Lodge requires that we have our bulletin behind password protection. Our current hosting site failed to provide this, so we moved to the Oregon State Elks Website.

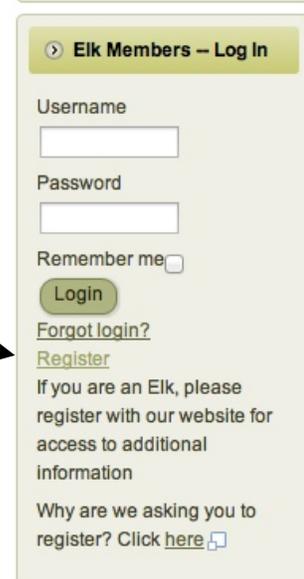

One Added benefit is that you can download bulletins from many other Lodges that also put it online!
See what other Lodges are doing across the State!

1. From your web browser, go to the O.S.E.A. Web site
(<http://www.oregonelks.org>)

2. If you do not already have a log in for this site, **click on the "Register" link** on the left of the screen in the section "Elk Members -- Log In"

2a. Fill out all of the information required to register, and submit it. Once Registered, you will be able to login.

3. If you DO have a Log In, enter your username and Password in the appropriate fields, and **click on the Login Button.**

This screenshot shows the 'Elk Members -- Log In' section of the website. It includes fields for Username and Password, a 'Remember me' checkbox, and a 'Login' button. Below these fields are links for 'Forgot login?' and 'Register'. The 'Register' link is highlighted in green, and an arrow from the text above points to it.

If you have any problems with the State website, you can always send an email to webmaster@oregonelks.org and Tony will help you!

4. You will now see more options under the Main Menu section at the Top Left of the screen. **Click on "Lodge Bulletins"**

5. You will now see a page with the state image with the districts. **Click on the Southwest district**, it will take you to a listing all of the Lodges in our district.

6. Below is what you should see. A listing of all of the Lodges in the Southwest district. On the right are four columns with the current month on the right, and the previous three months. The green dots indicate bulletins that you can download. (Not all Lodges post their bulletin online.) Just **click on the green dot** of the bulletin you would like to download, and it will load into your browser. Or you can **right click on the green dot, and select "Download Linked File"** (or whatever option that your browser uses to do the same thing) and this will download the bulletin to your computer.
